
Warwick Market Ale 3.30

500ml 4.9%

Originally brewed to commemorate the reopening of Warwick Market Place in 1999. An assertive golden brown beer characterised by a long lasting slightly resinous bitterness. The finish is fruity and warming with hints of spice and orange. This is the nearest thing to real ale, in a bottle. This must be poured slowly in to a glass in one go, leaving the sediment in the bottom of the bottle.

Black Fox 50cl 7%

A joy. This superb cider has a sappy apple, leaf and stalk aroma, tart, refreshing fruit in the mouth, and an earthy, dry and bitter fruit finish. It just shouts fresh apples, unlike mass-market ciders made from imported apple concentrate.

Lager bottle 3.10

Velins Pilsner 50cl 4.8%

Widely regarded as one of the very finest German examples of the "Pilsner" style.
